

A LIFE IN FIVE DAYS

Day 1

I walk down the street
There is a big hole in the street
I don't see the hole.
I fall into it.
I spend all day getting out.

Day 2

I walk down the street
There is a big hole in the street
I see the hole.
I still fall into it.
I spend all day getting out.

Day 3

I walk down the street
There is a big hole in the street
I see the hole.
I still fall into it.
I get out right away.

Day 4

I walk down the street
There is a big hole in the street
I see the hole.
I walk around it.

Day 5

I walk down a different street.
